

QX80

INFINITI

FUEL YOUR SENSES

Luxury is often associated with a distant, unattainable beauty, something to be seen but never touched. Not anymore. We believe in luxury that invites everyone along for the ride; literally and figuratively. In the audaciously luxurious QX80, everyone that joins you on your journey is treated to a driving experience unlike any other. Good for a night on the town or a day at the beach, this full-size SUV comes equipped to adapt to every facet of your life. You'll feel your pulse race from the first rev of the 5.6-liter V8 engine that has the power to tow your biggest toys.¹ In traffic, you'll enjoy the intelligence of INFINITI drive assist technologies² that can help expand your awareness and ability to navigate the unexpected. Beyond the driver's seat, craftsmanship and capability can help indulge you and up to seven guests³ in an exquisitely refined interior that can also accommodate vast amounts of cargo.³ This is where life drives luxury.

▲ ROLL WITH DISTINCTION

1 22 X 8.0-inch Aluminum-Alloy Wheels **2** 22 X 8.0-inch Dark Chrome Aluminum-Alloy Wheels**

▲ A COMMANDING PRESENCE YOU CAN'T IGNORE

To see the QX80 glide past is a truly arresting experience. What stops you is its perfect union of strength and sophistication, resonating from its aggressive front fascia and refined yet muscular lines. Subtle touches bring further balance, as in the unique LED headlights. You can add even more polish with available chrome mirror caps and enhance the stature of your INFINITI with available 22-inch aluminum-alloy wheels, for a QX80 at its most commanding.⁵

▲ POWERED BY POSSIBILITIES

Great power should be matched with even greater opportunities for where you go and what you tow.¹ Perform above your expectations with an impressive 5.6-liter V8 that generates 400-hp and 560 Nm of torque⁴ – with more than enough oomph for highway sprinting or passing. The QX80 can flex its "muscles" further by allowing you to tow up to 2000 Kg.¹ But confidence is strengthened in knowing that you can tow not just capably, but also intelligently. As you're pulling, rear automatic self-leveling suspension adjusts to help maintain an ideal ride height, and Trailer Sway Control helps minimize side-to-side movement.^{1,5} Towing or not, you get a smooth ride with Hydraulic Body Motion Control⁵ that counteracts body lean and helps absorb road bumps for a controlled cornering feel. All together, this is potential refined to take you as far as you desire.

EXCLUSIVITY MADE INCLUSIVE

Life truly is at its best when you can share your successes, and the QX80 invites those that you care about along for the sumptuous journey. And what a luxurious journey it will be. As you and your guests relax into leather-appointed seats, including captain's chairs in the first two rows, premium materials engage the senses further. Charcoal Burl trim stimulates the eye while a heated, leather-wrapped steering wheel rewards your touch.⁵ If you want to make refinement its most inclusive, you can opt for semi-aniline leather-appointed seating that elevates everybody's journey – along with climate-controlled front seats⁵ that create the ideal temperature, as second-row seating warms up for rear passengers.⁵ It's the kind of premium shared experience that you and your family truly deserve.

▼ INTERIOR CONNECTIVITY

The QX80 brings an intuitive new interface to the model, featuring a 12.3" horizontal display.⁸ Beyond the bold new touchscreen, our designers moved the console up to be closer to your line of sight – and we made Apple CarPlay® wireless in all trims, so bringing the iPhone® experience to your commute is more effortless.⁸ Powering up is more seamless, too, with a wireless charging station hidden artfully behind the center-console panel.⁵

A CLEAR VIEW FROM EVERY ANGLE

A night out with places to be and people to see shouldn't mean your vision is obscured by a lively second- and third-row. With a flip of the toggle, the Smart Rearview Mirror displays high-definition video of what's behind you – enhanced by a wider angle than what a traditional mirror offers.^{5,6} While seeing beyond passengers and cargo takes visibility further, it can also go higher.³ The Around View® Monitor^{5,7} provides a virtual composite overhead view of what's around the QX80 and shows it on your InTouch display.⁸ When you can see what's behind you – and around you – more clearly, you can enjoy your outings with confidence.

PACKED WITH UNLIMITED POTENTIAL

Possibilities have a way of presenting themselves unannounced. In the QX80, you'll be ready. With seating for 7, or 8 if you opt for the Split Bench Seat Package, you can make spontaneous plans with friends. The center console armrest can be opened from the front or rear, giving first- and second-row passengers easy access for storage. But versatility can unfold on an even grander scale. Push a button on the rear liftgate, and the Power Liftgate opens for you smoothly. Press the buttons in the cargo area, and the third-row lays itself flat.⁵ Bring down both back rows for a maximum of 95.1 Liter of cargo space – generous room for whatever you might need, or unexpectedly find.³

1 Available on select models. **2** VC-Turbo™ launched by INFINITI in model year 2019. **3** Slide-forward function should not be performed with the Child Restraint System occupied. Do not ride in a moving vehicle when the seatback is reclined. For the most effective protection, the seat should be upright. See Owner's Manual for safety information. **4** Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. **5** If equipped, your vehicle may include INFINITI InTouch™ connected features and services such as Navigation, Bluetooth® and other connected features that can be viewed by model on the INFINITI InTouch™ website here: <https://www.INFINITI-me.com/intouch.html>. **6** Predictive Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. **7** Around View® Monitor with Moving Object Detection cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. **8** Blind Spot Warning and Blind Spot Intervention Systems cannot prevent all collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. **9** Forward Emergency Braking with pedestrian detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. **10** Intelligent All-Wheel Drive cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions. See Owner's Manual for safety information. **11** Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. **12** Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. **13** Backup Collision Intervention will not detect every object, and speed limitations apply. Always check surroundings and turn to look behind you before moving vehicle. See Owner's Manual for details. **14** Lane Departure Warning and Lane Departure Prevention only operate when lane markings are detectable. See Owner's Manual for safety information. **15** Rear Automatic Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should always turn and check surroundings before driving and brake as needed to prevent collisions. See Owner's Manual for safety information. **16** RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. **17** Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. **18** Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. **19** Intelligent Cruise Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. **20** Distance Control Assist uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information.
